SUBJECT: Placement and Recovery of Vehicle with Video Surveillance Camera

R/Agent placed his assigned vehicle bearing Illinois Registration P238476 into the Area 1 parking lot located at 5101 South Wentworth Avenue at 0630 Hours on 16 January 2012. The vehicle was parked so as to provide a view of the south entry doors of the south parking lot of the facility. Police Technician Mike CARROLL #4254 placed a video surveillance camera into the vehicle at that time and both R/Agent and P.T. CARROLL secured the vehicle and left the immediate area. R/Agent returned to the location at approximately 0100 hours and retrieved the vehicle and video surveillance camera. The vehicle did not appear to be tampered with and the camera was found to be in place in the same area as it was when the vehicle was secured at 0630 hours by R/Agent and P.T. CARROLL. R/Agent returned the video surveillance camera to P.T. CARROLL on 17 January 2012 at 0800 hours.
